ROOPKUND & JUNARGALLI PASS TREK

For many years, Roopkund, the beautiful and mysterious lake has held the attention of trekkers not only because of the enchanting landscape surrounding it but also because of the presence of several bones and skeletons that can be seen in its waters. For years no one could figure out what had happened. The mystery has finally been solved by an international team which found out that around 850 AD, a group of pilgrims faced an unusually severe hailstorm which caused hundreds to die.
